**Time is Running Out to Order Your  
Rotary License Plate!**

As of May 26, 2006, 594 Rotary Tag Applications have been filed with the State. We have 25 business days left to get 406 more applications in to the State by June 30th. We are literally at crunch time now. Please help get the word out and promote the Rotary Tag at all opportunities. If we have not reached our goal of 1,000 by June 30th, full refunds will be sent out after July 1st and there will be no Rotary tag.

This is from Bob Ashley, Director of District 6920 Medical Equipment Transport Service. I would like to bring you up to date on the future of the warehouse project. At the end of this year I will have been involved with the warehouse for almost four years. I will be resigning my position as Director at the end of this calendar year. There are other programs I would like to work with. So, either someone else will have to step forward to become the new Director or the project will shut down. I am asking you to bring this to the attention of each club member. Perhaps there is someone out there willing to take this on. The program could possibly be run from a location other than Savannah, as long as adequate volunteers could be found for sorting. I think it would be very doable. We need a dedicated volunteer willing to work for no pay. I think one day a week would be adequate except when actually shipping a container. If you have any questions, please contact me. (912) 398-1440 (cell).

Thank you,  
Bob Ashley

Rotarian Bert Williams is shown with this year's scholarship winners.
