## Founder biography

**Paul P. Harris (1868-1947)** was a Chicago attorney in 1905 when he had an idea for a club in which professionals could share "mutual cooperation and informal friendship such as all of had once known in our villages." On the evening of Thursday, 23 February 1905, Harris gathered three business acquaintances to form a group that became the Rotary Club of Chicago, initiating the world's first service organization. Harris became the first president of what would later become Rotary International, the association of Rotary clubs around the world with 1.2 million members united under the motto Service Above Self.
