Last Week - August 7th

Program: **District Governor Benefield**
 District Governor Leon Benefield spoke last week on the health of the Rotary Clubs in our area, our country, and nationwide. He praised the Milledgeville Rotary Club for its dedication to Polio Eradication and the Foundation. He stressed for us to utilize the Family of Rotary and include all family members of fellow Rotarians and those widows and widowers of deceased Rotarians.

Finally, Governor Benefield mentioned two district projects that he was very excited about. The first is gathering medical materials that no one wants and ship to where they are needed. His second District project that he is excited about is the District Simplified Grants. These are one time shot grants for Rotary service project materials: books, supplies, and other entities for projects. The deadline is September 1 for grant applications.

Rotarian of the day: **Gene Trammell**

The Official Rotary Flag

An official flag was formally adopted by Rotary International at the 1929 Convention in Dallas, Texas. The Rotary flag consists of a white field with the official wheel emblem emblazoned in gold in the center of the field. The four depressed spaces on the rim of the Rotary wheel are colored royal blue. The words "Rotary" and "International" printed at the top and bottom depressions on the wheel rim are also gold. The shaft in the hub and the keyway of the wheel are white.

The first official Rotary flag reportedly was flown in Kansas City, Missouri, in January 1915.

Some Rotary clubs use the official Rotary flag as a banner at club meetings. In these instances it is appropriate to print the words "Rotary Club" above the wheel symbol, and the name of the city, state or nation below the emblem.

Rotarian that made the news!!

Rose Bacon- Rose made the news on July 19 showing a post-card she received from Texas that showed a mystery park possible located in Milledgeville. The card was postmarked on November 11, 1907. Rose has given the card to the Georgia Antebellum Capitol Museum. She also received another one showing the Milledgeville Methodist Church which was given to the church for display.
