**Last Week - November 13th**  
 Program: **Lena Teufel**  
 Rotarian Brad Serff introduced our Rotary exchange student, Lena Teufel, who presented a program on her home country of Germany. Attired in a sailor suit, a popular outfit for German youth and Donald Duck, Lena began the program with "What's up, you all?" She told us in words and pictures about her country and her home state of Schleswig-Holstein, located in northern Germany by the Baltic Sea. Lena said the landscape and mentality of northern Germans is different from the rest of the nation. The northern region features three different landscapes formed during the Ice Ages. Photographs included the North Sea and sand dunes, crop fields, lakes and the season ranging from spring to winter. All of the photos were taken by her father, a Rotarian and professional photographer. The pictures included Lena's hometown of Eckernforde. Lena's family consists of her father, her mother, a counselor, and two brothers, one older and one younger. She thanked the Milledgeville and Jones County clubs for their sponsorship of her exchange and the educational opportunities it is affording her.

**The Rotary Club of Milledgeville**  
**MEMBER PROFILE**

**George Clark**  
 One of our two current Sgt-at-Arms, George has been a Rotarian for 55 years; 20 of them here in Milledgeville. In fact, this is his second "tour" as Sgt-at-arms. He is a Past President of the Eastman Rotary Club, where he also served 10 years as secretary/treasurer. So, new members, if you have Rotary questions, George is a great source of Rotary information!

He and his wife of 56 years, Lacy, retired to Milledgeville in 1983. They are active in the Methodist Church. George is a retired Soil Conservationist with the Soil Conservation Service, having worked with the service for 35 years. He worked in Dodge County which, for those of us who aren't familiar with Georgia, is 60 miles southeast of Macon. A veteran, George served four years with the U.S. Marines in the Pacific campaign during World War II.

According to George, the biggest changes he has observed during his 55 years as a Rotarian is the attendance policies and classification rules from Rotary International. He encourages club leadership to get new members involved quickly, give them responsibilities and say to new members, "take a job and get after it."

Thanks, George, for all you have done and are doing for Rotary!
